FLOOR DEBATE

April 17, 2002 LB 1303

Norris legislation (sic--Legislative Chamber). The afternoon session is about to reconvene. Senators, please check in.

CLERK: I have a quorum present, Mr. President.

SENATOR CUDABACK: You have any message, reports, or announcements?

CLERK: I have neither messages, reports, nor announcements at this time, Mr. President.

SENATOR CUDABACK: Mr. Clerk, where were we at the time we recessed?

CLERK: Mr. President, when the Legislature recessed, they were discussing LB 1303. At this time I have no amendments pending to the bill, Mr. President.

SENATOR CUDABACK: On with discussion of advancement of LB 1303, Senator Chambers.

SENATOR CHAMBERS: Mr. President and members of the Legislature, I have a question I would like to present to Senator Bromm. He is looking at a place that I marked on an amendment, so I am going to touch on what my interest is. Among the items listed that would not be considered a minor traffic violation for purposes of this bill is language that talks about driving a vehicle that is not registered. What I want to know for the record is if that means a vehicle that had never been registered or one where the registration has expired? You have to get this thing done every year. I see Senator Bromm approaching his mike. I would like to ask him a question.

SENATOR CUDABACK: Senator Bromm, will you yield to a question?

SENATOR BROMM: Yes.

SENATOR CHAMBERS: Senator Bromm, you've had a chance to look at that language?

SENATOR BROMM: Yes.
